Iranian muaythai superstar masood izadi fought in M-1 cup in Thailand

which was held as a world cup with the fighters of 8 countries at Friday and July 2010 first, he defeated Spanish fighter and in the next level he won American fighter, in final, his opponent was Thai champion Sanhchai. At the first round, Masood struck some beautiful fists at Sanhchai and showed him his great power, but unfortunately the referee didn't allow him to continue because of a puncture in his face from the previous match. And this showed that Thailand people do everything to prove that Sanhchai and other champion remain unconquerable. Muaythai mafia still exists. Experts think that Masood was the real winner of the match. However, Masood will fight against Sanhchai very soon.
