IFMA is delighted to present a very positi

ve report in regards to our participation in the SportAccord 2010 Convention in Dubai, 25-30 April. IFMA has been part of the annual convention since 2006, and this year was undoubtedly our most successful yet. The SportAccord Convention is the perfect tool to promote all aspects of muaythai, and IFMA's international office made sure that our presentation booth attracted maximum attention and generated much interest and support from all attendees.
